Performing Activity**Performer:** MPR Associates**POC:** John Hillaert**Phone:** (703) 519-0550**Contract Number:** N00178-05-D-4459**Delivery Order Number:** EH02**Technical Instruction Number:** 07-002**CLIN:** 1103AC and 3103AC**Program:** AFFF System Hydrogen Sulfide Mitigation**Subject/Title:** AFFF System Hydrogen Sulfide Mitigation

Description of Work: The contractor shall provide engineering support for AFFF system hydrogen sulfide (H₂S) mitigation and shall provide engineering guidance to inactive ship facility personnel and contractors for ex-CG-51 test installation and execution. The contractor shall provide test monitoring and emergency response to assure continuous and satisfactory test execution in CG-51. The contractor shall design the H₂S mitigation system, provide guidance for installation aboard ship, and prepare test plans, operating procedures, and other logistics documentation. The contractor shall monitor system testing.

The contractor shall not exercise personal judgment on behalf of the Government. The Government will not exercise control or direct day-to-day contractor performance.

The requirements of this technical Instruction do not authorize any change in the terms, conditions, delivery schedule, price or amount of the subject contract or any other Government contract/agreement. In the event you consider these requirements to represent a change for which you are entitled to an equitable adjustment, you are to comply with the requirements of the "Changes" clause of the subject contract.

Government Furnished Property/Information:

Plans, drawings, specifications, designs, photographs, and any other engineering and manufacturing information furnished by the Government shall remain Government property and shall be reproduced only as authorized in writing by the Government, shall be used for performance of the work under this task order only, and shall be returned to the Government upon request. The contractor shall make no further use of this information without prior written consent of the Government.

Deliverables:

- Weekly Highlights/Status Reports: Submit weekly highlights to TOM and TPOC(s)
- Monthly Activity Report: Submit Monthly Progress Reports to TOM and TPOC(s) in proper format stating expenditures and what was accomplished for the month.
- Reviews and recommendations written in electronic form, as requested by the TPOC. Test reports documenting procedures and results.
